ACTIVITIES

Follow us on Facebook for updates and tag your Instagram photos with #torquayforeshorecaravanpark to be featured!

BUSH TUCKER WALK

Everything green growing around the campground and along the coast is not 'just a plant'. There are hundreds of different types of plants to discover. Some have leaves you can put straight in tonight's burger. Others have berries that might be sweet and ripe to try. Come along and find out about nature's food supply.

ROCKPOOL RAMBLE

A world unlike any other, able to be explored only during the low tide and home to some of the most interesting creatures on the planet. Come and tickle a crab or touch a seastar, wear something better than thongs though or you might fall in!

BIODIVERSITY TRAILER: THINGS UP CLOSE

We have a super powerful microscope and we're not afraid to use it. Find something cool and bring it along for us to look at, they all look incredible when seen 'Up Close'!

STARGAZING

The opposite of our super powerful microscope is our super powerful TELESCOPE. Amazing views of the moon and stars are on offer, if there are no clouds!

STORYTIME

Time to relax while we tell you a story. It could be one from our ranger's memories, or perhaps one from your favourite bedtime story book.

WILDLIFEXPOSURE

The perfect opportunity to safely smile at a crocodile, cuddle a dingo, drape a python around your neck, stare into the eyes of an owl or laugh with a kookaburra. All while learning about some of Australia's amazing creatures and the types of environments they are found in. The three hour session is a display and the one hour session is a presentation.

WILD GOOSE CHASE

In groups of 4-6 you will take on a wide array of challenges around the park. The first team to finish will win a prize. Please bring along your tablets or smartphone to participate in this interactive race.

KRAZY KOALA

Come join in the fun with the Bebop "pop-up" circus. Learn how to juggle, hula hoop, diablo and even spin a plate. The bebop circus has it all!

KELLY SPORTS

Come along and join in this multi-sport activity. From obstacle courses to cricket or soccer, we will get your legs moving and having lots of fun. Suitable for ages 4 - 11.

FOOD TRUCKS

Take the night off from cooking and choose from a range of tasty street fare, right in the park.

WILD ART

A fun variety of native based arts and craft activities. Each session is different.

BIRDWATCHING

Grab your pair of binoculars or borrow some of ours and come and start your list of birds. We have birders from all over Australia who come to this coast to see some of our local birds. Once you have caught the birdwatching bug you will realise it is like the biggest treasure hunt you have ever been on, that lasts your whole life!

URBAN UPCYCLE

Bring your creative self and make some holiday memories from reusable and interesting items which would otherwise be heading for landfill.

TAI CHI & QIGONG

A gentle movement class for all ages, stages and abilities. Increase flexibility, balance, strength and circulation.

CAMPER CONVERSATIONS

Drop in for a chat with senior management to discuss caravan park operations.

HOOP FUSION

Hoop Fusion will have you spinning, twisting and learning a whole bunch of circus inspired hoop tricks.

BOOMERANG ART AND THROWING

Join local Wadawurrung man Billy-Jay and decorate your own boomerang using traditional symbols to tell a story through art. Afterwards, learn how to throw a returning boomerang.

Please wear your hat, sunscreen and shoes to all activities.
